Thanksgiving.

In accordance with the recommendation of the Chief Executive of the Nation and the Governors of many of the States of the Union, this day will be very generally observed as a Thanksgiving holiday. There will be religious services in many of the churches throughout the land and in the great majority of homes there whom they patterned their religious such a pretension. formulas far more | than after the ing the Deity, and hence in times of epiin times of prosperity they appointed feasts of gladness and thanksgiving.

It was not until after the war comreturning thanks at the close of the Autumn took the shape of a National obgreat struggle during four years of affliction and discipline, made the custom one now prevails as a universal usage throughnutmegs. Considering all things, and es- infallibility. pecially their carpet-bag experience since the war, it is not after all strange that The Programme of the Pig-Iron Men there should be a good deal of this feeling in the South. Let us hope now that of the age in which we live. Political lutions: economists tell us that holidays are good investments for any people. Their tendcommon life and cultivate the humanities. Therefore they are to be encouraged. A day wrested every now and then from unremitting toil, such as is the lot of most people, is not a day lost, any more than money spent for something we cannot merely eat or wear is not money wasted. To most people life and its duties and

as it was to PETER BELL, to whom "The yellow prim rose on the river's brim A yellow prim rose was to him, And nothing more."

Had we no holidays this tendency to hard faced views of life would become even more pronounced than it is. Therefore let us be thankful for this Thanksgiving holiday, and enjoy it as a brief espite from labor and as one of our few opportunities for social recreation.

Mr. Gladstone's Pamphlet. of Mr. GLADSTONE's anti-Papal pamphlet, Church holds, and has so decreed, that it the civil rights and province of the Church; also, that it is disloyalty to say rights; also, to hold that in conflicts of law should prevail; or to hold that any all the industries of the country, is now other religion than the Roman Catholic the most depressed. may be established by the State; or that ism and modern civilization; or that Papal judgments and decrees may, without sin, be disobeyed or differed from, unless they treat of the rules of faith or morals; or that knowledge of things, philosophical and civil, may and should decline to be guided by divine and ecclesiastical authority.

These are a few of the eighteen articles of a citizen

Tolling stock, &c. This he claims will enable his syndicate to finish the road, strong predicates a portion of his argument against the dogma of infallibility. He holds that no ecclesiastical power that pretends to be the exclusive judge of the scope of its own authority can be trusted with the libertles of a citizen

Tolling stock, &c. This he claims will enable his syndicate to finish the road, and thus not only complete a great national enterprise but also give important industry of the country. The scheme seems to be to combine his interests with those of the Northbert rusted with the libertles of a citizen

vention or meeting, composed of the lead-ing men of the independent party of Ining men of the independent party of Indiana and a number of delegates from other States, met in Real Estate and Manufacturers' Hall, in this city, to-day. The meeting was called to order by Mr. Oliman, of Indians, who stated that at the Independent State Convention, held in Masonic Mall August 12th, the Editables resolution was passed:

following resolution was passed:

Resolved, That a committee be appoint ed to correspond with similar organiza-tions in other States with a view to the organization of a new national party in pursuance to the terms of that organiza-

Mr. Ollman said the Central Committee had entered into a correspondence with the friends of the Independent party, resulting in this meeting to-day, which was not a convention, but merely a meeting for a consultation upon the propriety of issuing an address and providing for hold-ing a preliminary convention of the friends of the party, and ultimately calling a National convention of the Independent party, to nominate a candidate for President in 1876.

for President in 1876.
On motion of Mr. Archibald John, the Hon. James Buchanan, of Indiana, was unanimously elected President, and R. B. Balley, of Clay county, was chosen Secretary.

tary.

In returning thanks for the honor conlerred Mr. Buchanan counseled the meeting to proceed with its business cautiously
and carefully. It was rather an important thing to put forth an address or statement of principles upon which the camant thing to principles upon which the campaign for President in 1870 is to be fought. For one he wanted the Convention to declare itself boldly and for the truth.

A committee of thirteen on an organization and declaration of principles was ordered to be appointed, and the following were selected to serve thereon.

ordered to be appointed, and the following were selected to serve thereon.

J. T. Campbell, Park county, Chairman, L. B. Buchanan, Marlon county, T. A. Wood, Louisville, Ky., Horace H. Day, New York City, A. Lagg, Rancock county, A. C. Cameron, Chicago, Alex Troup, editor of the Union, New Haven, Conn., A. Walcott, White county, R. N. Haslett, Putnam county, J. T. Truscott, Posey county, and A. Elderfield, Vanderburg county. Horace H. Day, of New York, and Alex. Troup, of New Haven, were unanimously invited to speak upon the currency question this evening. After the currency question this evening. After a somewhat informal discussion on or ganization and the platform, the conven

tion adjourned until this evening. EVENING SESSION.

The Independent Convention reas-sembled at 7 o'clock this evening and was addressed by their Chairman Hon. Jas. Buchanan, who also read letters from a number of gentlemen identified with Buchanan, who also read letters from a number of gentlemen identified with the movement, who had been nivited to attend, but could not be present. Among them were Hon. John A. Thompson, of West Virginia, L. Worthington, Morrow, Ohio, Wallace B. Broome, of the New York Mercantile Bulletin, D. A. Mahoney, of the Dubuque Telegraph, and Henry C. Babb. All of these gentlemen warmly commended the objects of the meeting, assuring Mr. Buchanan of their hearliest sympathy therewith, and reheartiest sympathy therewith, and re-gretting the circumstances which pre-

vented them from being present.

The committee appointed at the morning session on organization and declaration of principles made the following

report:
In view of the great sufferings to which many of the industrial interests of the country are now subjected by reason of past victous legislation in relation to the finances of the nation by reason of discriminating and extortionate rates of transportation between various market points of the country and producers and unjust discrimination in our revenue sys-tem, by which certain interests of the country are promoted at the expense of other interests, all of which are evils de-Wesly Underwood, sentenced to be importunity to the existing parties no relanged at Palmyrs, Mo, on Friday next, dors the murder of Richard Menifee in 1971, hanged himself in jail last night.

Sale of the Philadelphia Press—Mr.
Forney Remains in Europe.—Col.

Polyton. ital upon the rights and interests of the masses, to reduce taxation and correct abuses, and to purify all departments of the government

Forney's Press has been purchased by a combination of newspaper men, and that Colonel A. K. McClure will sesume the editorial management of that journal on a National convention, have maturely considered the same, and believing that is a large interest in the paper, but voluntarily retires from the editorial more deeply affects the material interests duties. He will remain abroad until the Centennial, and will correspond regularly to the Fress during his absence. In an awer to an inquiry as to the political before the name of the people of the people of the people of the people of the material interests of the people of the material interests and that it directly and indirectly affects the name of the people of the peopl before the people, therefore we recom-mend the following as a basis of the Union

First, it is the duty of the Government to establish a monetary system based on the faith and resources of the nation, in harand stapted to the demands of legitimate business. To this end the circulating notes of all National and State basks, as well as all local currency, should be withdrawn from circulation, and paper withdrawn from circulation, and paper money issued by the Government directly to the people, without the intervention of any system of barring corporations; which money shall be a legal tender in the payment of all debts, public and private, duties on imports included; this money to be interchangeable at the option of the holder with registered Government bonds bearing a rate of interest not exceeding 3.65 per cent per annum.

Second, the interest on the researt rule.

Second, the interest on the present pub-lic debt and that portion of the principal of the same which is by express terms of the law creating it, payable in coin, shall be so paid.

Your committee further recommend a

Your committee further recommend a National Convention of all the people who can agree to the foregoing financial proposition, to assemble at Cleveland, O., on the 11th day of March, 1875, to perfect a National platform, and to appoint a time and place for holding a National Independent Convention to nominate a candidate for President and Vice President and all who fully endorse the tore. dent, and all who fully endorse the fore-going basis of a union shall be cordially invited to participate in said convention. But all votes therein shall be taken by States, and that each State shall be ent tled to a number of votes equal to twice the number of its representatives in the

National Congress.
Your committee further nominate and recommend for National Executive Comrecommend for National Executive Committee, with power to add to their numbers and to change the date of the preliminary National Convention if exiting encry requires, the following gentlemen: Robert Eschilling, Clevland; R. F. Trevelick, Detroit; U. C. Camproo, Chicago; G. M. Davis, Philadelphia; Thos. Buchanan and E. A. Olleman, Indianapolis; J. S. Campbell, Rockville, Ind; R. M. Haslett, Green Castle; L. A. Jienvy Loss of Grain by Fire.

ALBARY, November 35.—Fifty thousand bushels of barley and 25,000 bushels

THE HARRIS MURDER. The murderers of Christopher Harris, near Bethany, Butler county, on Sunday night, have contessed. They are Wm.

and Jane Harris, his father and mother and Jasper, Samuel and James Harris his three brothers. The family are very his three broiners. The family are very low, stupld, ignorant and savage people; and fighting among them has been com-mon. They say Christopher committed an indecent offense on Sunday night, and that Jasper and his other brothers took him out to the wood pile and killed him for it. The parties concerned, five in number, have been arrested, and the young girls of the family are under guard. The aftair is ludicrous as well as tregical.

REV A. KRORIT. or thirty years pastor of St. John's German free Lutheran Church in this city died this evening, after a week's illness

UTAH.

RECOMMEND VACATION OF THE TITLE. Salt Lake, November 25 -The Grand

Jury reported in regard to the Utah Ter-ritorial Penitentiary that in 1869 Albert Packwood, while warden thereof, filed a warrant upon the land on which it stands and perfected his title thereto, that they believe the patent so attained was issued on false and fraudulent entries, and recommend that suitable action be taken for the Government to regain research of the Government to regain research of the control of the contro ment to regain possesion of the propert They report that for want of funds to the employment of experis and want of time they have not been able to make an examination of the territorial, county and city records.

Workman Killed.

SAN FRANCISCO, November 25 .- Wm Rogers, a workman on the Palace Hotel, fell from the sixth story of the building this atternoon and was instantly killed. He leaves a wife and two children in New York circ.

thur Orten was in court for the purpose of icatifying, but his evidence being unnecessary, he was returned to Milibank prison. prison.
